

**As a registered  
nonprofit provider, our  
focus is always  
people - not profit.**

We exist to serve people with care and integrity, ensuring every action we take uplifts lives and creates impact - never driven by profit, always by purpose.

## About NewPath

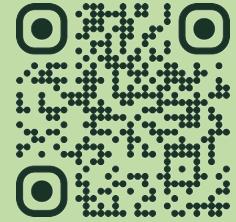

Newpath began with a strong belief: Every individual deserves respectful, personalized care that honors their journey, upholds dignity, and empowers them to realize their fullest potential.

- 1 We listen first, plan second - Your voice guides every decision we make together.
- 2 Support from people who understand - Our team brings lived experience and genuine care.
- 3 Connected to your community - We help you stay rooted in the places that matter.

## A better way to feel supported

NDIS services with purpose - empowering people in recovery while redirecting every surplus back into mental health services.

# Services

## Recovery Coaching

At Newpath, we guide you with care - helping set goals, build independence, and stay resilient. Our recovery coaches support, empower, and walk beside you, ensuring your journey always feels guided and yours.
